ACCESSIBLE BATHING

FOR TOTAL PEACE OF MIND

Deep Soak Baths

Designed with a modern bathroom in mind, a deep soak bath provides a safe and comfortable bathing experience for those with mobility issues, giving everybody the chance to enjoy a soak in the bath.

Maestro

Combining an award winning, inward opening bifold door and compact size, the Maestro is a safe and stable alternative for rooms and spaces where a more conventional style of bath simply will not fit, yet there still remains a need for a walk-in deep soak solution.

Perfect for: Additional Physical Requirements, Single Person Household, Smaller Room Size
Sizes Available (LH & RH): 900 x 660m

KEY FEATURES

- Easy to use inward opening door
- Enhanced doorway access
- Comfortable integrated seat with contoured back
- Slip resistant base
- Dual waste for quicker drainage and safety

In the UK, over 14 million people are living with a disability or impairment and the most common disabilities for adults in Britain are those associated with a difficulty in mobility, lifting and carrying.
