ACCESSIBLE BATHING

FOR TOTAL PEACE OF MIND

# Deep Soak Baths

Many single person households across the UK are looking for ways to create a stylish yet practical accessible bathroom to help support their care at home. Our Deep Soak baths have been specifically designed for those with additional mobility needs, taking up less floor space than other baths, allowing more space to manoeuvre around the bathroom.

## Tranquility

The Tranquility Deep Soak is our most advanced deep soak bath. It offers a 545mm high unrestricted access, providing unparalleled ease of entry and exit with a slide-in feature making it perfect for wheelchair users.

**Perfect for: Single Person Household, Wheelchair Users, Arthritic Joints**

**Sizes Available (LH & RH): 1300 x 660mm, 1300 x 750mm**

### KEY FEATURES

- Extra wide door and lower step-in threshold
- Slide-in feature offering easy entry & exit
- 2 internal grab rails
- Slip resistant base

Currently, the UK has 1.2 million wheelchair users, with 2/3 of individuals being daily wheelchair users\*. Whilst wheelchair users will have varying mobility requirements depending on their disability, they all need somewhere safe and comfortable to bathe.
